

Nikki's Noodles – JDRF
Supporting Juvenile Diabetes Research Foundation

You're invited to book for yet another fantastic, fun and fabulous fundraiser for Nikki's Noodles.

SHOPPING TO FIND A CURE!

Toni Cazaz and Jackie's Shopping Tours will be your guides with Nikki and Lily assisting as Noodles. We will be bussing our way across the shopping hot spots of Melbourne to pick up the best bargains, lunch and with our girlfriends raise much needed money to find a cure for Nikki and other children who battle the health risks of diabetes every day.

WHEN: Sunday October 24th 2010

MEET: Jells Park Primary School, Petronella Drive, Wheelers Hill

TIME: Register and Board the Bus at 7.45am SHARP for an 8.00am departure

BRING: Large shopping bag, cards and cash (not all outlets accept cards). We have lots to do and run a tight schedule so please bring a watch. Perhaps write a list - don't forget Christmas. Essential to bring along a BIG HAPPY SMILE & ENERGY, but don't worry if you forget, we will be sharing ours around.

WHAT YOU'LL BE DOING

Once on the road we will venture to shopping outlets selling goods up to 70% off recommended retail prices. Clothing, sporting apparel, underwear, toys, makeup, shoes, and gifts are on the menu. The day includes a snack lunch pack, show bag, raffle and other great prizes.

COST

A non-refundable deposit of \$10 before July 31st, with a balance of \$35.00 due on the day. This booking fee includes pick up and return to Jells Park Primary School, the shopping tour and a yummy lunch pack including snacks.

RSVP

Please contact Toni to reserve a seat on the bus, and don't forget to get your friends on board. If we can fill the bus we could achieve over \$1000 towards finding a cure!
